## Trade Stands Available

### **CreativeTech 2010** – 10th & 11th september – AUT City Campus:

This is a new technology forum about all things Apple being held on Friday 10 and Saturday 11 September 2010 at AUT in Auckland. See [www.creativetechnet.net.nz](http://www.creativetechnet.net.nz) for details of the event.

### **What's happening?**

A broad mix of 'byte-sized' talks or presentations, from practical 'how to' showcases of the latest Apple, Adobe, FileMaker and Microsoft software, to advanced developing for the iPhone and iPad, music, video and expert insights into tomorrow's technologies.

See [www.creativetechnet.net.nz/events](http://www.creativetechnet.net.nz/events) for more details.

### **Who's coming?**

Developers, designers and creatives; small business owners and business administrators; home users and Mac enthusiasts; educators and students; amateur and professional musicians; filmmakers and photographers. As well as attending the sessions, they will be keen to check out and buy the latest gadgets in the CT Trade Space.

### **CreativeTech** is being widely promoted via radio, print, social and online media.

Media partners include nzherald.co.nz, Action Media (MacGuide) and Idealog, George FM and RadioLive.

**CreativeTech** is now taking bookings for stands for the CT Trade Space. Spaces are limited. This is an opportunity for you to show off your products, showcase your business, and be involved in one of the most exciting technology events of the year.
